CAREER OBJECTIVES

Motivated and goal-oriented Web Developer with 6 months of hands-on experience in building and maintaining responsive websites. Seeking a Web Developer position where I can leverage my skills in HTML, CSS, JavaScript, and PHP, along with my Computer Engineering background, to contribute to innovative projects. Eager to join a reputable company that values growth and creativity, where I can further develop my technical expertise and make a meaningful impact.

EDUCATION

Don Honorio Ventura State University   **Bacolor, Pampanga**
Bachelor of Science in Computer Engineering   *September 2023*
- Developed an Automated Chlorine Pool Distribution device for Thesis project.

WORK EXPERIENCE

Glimsol Web & Digital Solutions   **Quezon City**
Web Developer   *November 2023 – May 2024*
- Developed and launched two fully responsive and user-friendly websites using Wordpress.
- Populated website content, including text, images, and multimedia elements, ensuring consistency and alignment with brand guidelines.
- Implemented SEO best practices to improve site visibility and search engine rankings.
- Collaborated with designers and content creators to ensure the visual and content aspects of the websites met the clients' expectations.

Freelance Work   **Lubao, Pampanga**
Web Developer   *January 2022 – March 2022*
- Developed a website (Manuscript Management System) using various programming technologies including HTML5, CSS, JavaScript, PHP, MySQL.

Sta Cruz Academy of Lubao Inc. - Internship   **Lubao, Pampanga**
Computer Room Assistant   *February 2023 – May 2023*
- Maintained computer equipment inventory.
- Assisted students and teachers in troubleshooting computer hardware and software issues.

SKILLS
